O-RINGS

Common O-Rings are readily available from RT Dygert in many sizes and materials for multiple uses. We can even customize the size and material size to precisely fit your application.

STANDARD & CUSTOM PISTON SEALS

Our piston seals are designed to meet demanding OEM application requirements. From convenient in-stock designs to custom requirements, we'll meet your needs.

STANDARD & CUSTOM ROD SEALS

As a dynamic barrier to keep fluid contained, rod seals have an important job. To meet these needs RT Dygert offers many types of rod seals to solve any problem.

MACHINED PLASTIC PARTS

We have options for applications requiring special seals or custom shapes, including designs for parts produced from machined plastic, like PTFE, PEEK, PA, POM, ACETAL, PAI, PPS, and more.

WIPERS

Excluding contaminants is critical to application longevity and on-going peak performance quality. To find the best wipers and the largest inventory, come to RT Dygert.

WEAR GUIDES

Choosing the correct bearing is essential in maintaining product performance. RT Dygert has many options, including style, split preference and material types.

CUSTOM MOLDED PARTS

When the need is for non-seal type molded parts, RT Dygert can help. For bumpers, caps, gaskets, bellows, handles, washers, etc., RT Dygert delivers the solution.

PRECISION PRODUCTS

High precision machined metal parts are also available through RT Dygert. We offer steel, aluminum and other metal products, and can bond them with rubber shapes as well.

RADIAL SHAFT SEALS

RT Dygert can cover all your rotary sealing needs with our extensive range of radial seals in many different styles, sizes and materials. With years of experience in the industry, we can make recommendations for all your rotary applications.

PTFE SEALS

PTFE seals can be the answer to tricky sealing applications when elastomers don't work. O-Rings, spring energized seals, gaskets and back-up rings can all be used when the application calls for extreme temperatures or the sealing of aggressive media.

MECHANICAL SEALS

High performance is a must for mechanical seals, given the conditions they operate under. An extensive selection, stocked for same day shipment is also crucial to your needs. Count on us for the best quality and selection.

GASKETS

Gaskets come in all shapes and sizes. RT Dygert can supply gaskets in a variety of materials to cover all your sealing needs. With either small sample runs and high production usage, we have you covered.

Why Industry Leaders Rely on RT Dygert

GLOBAL REACH – LOCAL RELATIONSHIPS

For over 50 years RT Dygert has been providing sealing solutions to a diverse group of markets. Our knowledgeable staff members are highly regarded throughout the industry for their ability to consistently provide quality design recommendations and to build long-standing relationships. Our competitive advantage is a broad product base, extensive logistics and distribution capabilities, unbeatable product knowledge, and progressive engineering skills, all with the benefit of global resources.

WE'VE GOT WHAT YOU NEED

We source and stock the widest selection of seals from the finest manufacturers around the world. Our vendors are renowned for their engineering and quality programs and we have excellent, long term relationships with them. Even in periods of short supply, we can deliver. We can customize any seal precisely to your specifications.

EXTENSIVE VALUE ADDED SERVICES

We provide JIT/Kanban programs, pre-production and kitting, special marking and packaging options and much more.

FRIENDLY CUSTOMER SERVICE AND EXPERT ON-PREMISES SUPPORT

You're in the best circles with our customer service team. If you need expertise in any area, we've got it, including materials, design, prototyping, testing and more.

LIMITED WARRANTY RT Dygert ("Seller") warrants that its products ("Goods") will perform in accordance with their specifications; that the goods will be free from manufacturing defects for a period of twelve (12) months from the date of delivery of the goods to Buyer; and that the goods will be as specified by Buyer in the purchase order. Seller should have the right to elect to either refund the purchase price for any defective goods or replace any defective goods, provided that the goods were used in the manner for which they were manufactured. Seller does not warrant that the goods are fit for any particular purpose. Seller should have no obligation to refund the purchase price or replace goods that are rendered defective by a Buyer or a third party after they leave Seller's place of shipment.

LIMITED LIABILITY Seller's liability for its goods is limited to their terms set forth in Seller's express warranty set for above, in no event shall Seller's liability exceed the total purchase order price. Seller is not assuming any liability for any indirect, collateral, special, incidental or consequential losses or damages suffered by Buyer, or by any end-user or other third party, including but not limited to, lost profits, loss of business reputation and/or lost business opportunity, for any possible cause of action or claim arising out of or related to the goods sold to Buyer, even if Seller has been advised of the possibility of such loss or damage.
